

## Why Choose Cerba Lancet Kenya

At Cerba Lancet Kenya, we are committed to delivering world-class medical diagnostic solutions that enhance the quality of life for our communities.

### ◆ Accredited Lab Results

Fully ISO 15189:2022 accredited — results that meet both International and national standards.

### ◆ County-Approved Testing

Our tests are officially recognized by Nairobi City County Government and used to issue food handler certificates.

### ◆ On-Site Convenience

For businesses, we offer on-site sample collection — so your operations run smoothly.

## Food Handler Medical Testing

Officially Licensed by  
Nairobi City County Government

## Your Partner in Food Safety Compliance

Whether you're running a restaurant, hotel, catering business, or food stall, staying compliant with health regulations isn't just about ticking a box—it's about protecting your team, your customers, and your reputation.

Cerba Lancet Kenya is proud to be licensed by the Nairobi City County Government to provide Food Handler Medical Testing. With our ISO 15189:2022 accredited labs, we ensure accurate, compliant, and efficient testing services designed to keep your business operating smoothly.

## Testing Locations Near You

We know your time is valuable. That's why we've placed our testing centers in easy-to-reach parts of Nairobi — with quick service and friendly teams ready to help.
