

# WACREC CLINICAL RESEARCH MANAGEMENT

Your Trusted Partner for Clinical Trials and  
Medical Research in Africa

## Who We Are:

WACREC is one of the leading Clinical Research Organization (CRO) and Site Management Organization (SMO) specialized in managing clinical trials and medical research sites. We provide end-to-end research solutions for:

- **Pharma & Device Companies**
- **Academic Institutions**
- **Non – Governmental Organizations**

## Why Choose WACREC?

- **Patient Access:** Diverse populations for robust recruitment.
- **Quality Assurance:** GCP-compliant processes and ISO 15189-2022 accredited laboratory services in partnership with MDS-Lancet Laboratories Ghana.
- **Global Partnerships:** Collaboration with **Global Health and Infectious Disease Research Group KCCR-KNUST**

## Our Expertise:

1. **Extensive Site Network:** Teaching, Regional, and District Hospitals, Clinics, and Research Centers.
2. **Experienced Investigators:** Skilled PIs, Co-Investigators, and Study Coordinators.
3. **Regulatory Mastery:** Streamlined IEC/IRB approvals and compliance.
